23 17:00:46 THE WITNESS: [Interpretation] No. The bullet holes or impact  
24 17:00:54 holes have nothing to do with the -- these two bodies. I'm merely  
25 17:01:02 describing the place where I found them. I am describing those places on  
50:1 17:01:10 this concrete wall where I saw those bullet holes.  
2 17:01:17 MR. EMERSON:  
3 17:01:17 [REDACTED] what I want to suggest to you is that there were also  
4 17:01:24 bullet holes in the outer aspect of the left-hand wall and on the inner  
5 17:01:28 aspect of the right-hand wall firing therefore in the opposite direction.  
6 17:01:35 Do you agree with that or not? If not, we can play you a portion of the  
7 17:01:38 video you took.  
8 17:01:50 A. Sir, please listen to me. Let me explain this for you once and  
9 17:01:54 for all. If you look towards Radonjic Lake, the bullet holes were found  
10 17:02:03 on the left-hand side wall, on the inner aspect, facing the village of  
11 17:02:10 Glodjane, and on the right-hand side wall, on the outer aspect, again  
12 17:02:15 facing the village of Glodjane.  
13 17:02:17 Q. I understand that that's your testimony --  
14 17:02:20 A. So --  
15 17:02:20 Q. Witness 64. I'm putting a specific suggestion to you. You're  
16 17:02:24 suggesting to the Trial Chamber that the bullet holes that were seen  
17 17:02:28 were all fired from the Glodjane side of the canal and I'm suggesting to  
18 17:02:32 you that on the contrary, there were bullet marks on the outer aspect of  
19 17:02:39 the left-hand wall having been fired in the opposite direction as well.  
20 17:02:44 Now, can you help us with that? Yes or no?  
21 17:02:53 A. That's correct. Yes, it is recorded on the footage at one point,  
22 17:03:01 where, from the other -- the outer side of the left-hand side wall facing  
23 17:03:11 Radonjic Lake, or if you look in the direction of Radonjic Lake, there  
24 17:03:13 are some bullet holes, and then you can see a dead dog, I think, a white  
25 17:03:20 dog. It's dead. But we didn't find any bodies there in that area.  
51:1 17:03:25 Q. I understand that but just so that we have it absolutely clear  
2 17:03:29 for the record, there was evidence of shots being fired in the opposite  
3 17:03:34 direction, towards the Glogjan side. That's correct, is it not?  
4 17:03:44 A. There are a few bullet holes, yes. That can be seen on the  
5 17:03:51 footage, on the video recording. That's for sure, yes. But the majority
