KARADZIC RESPONSE TO  
JOINDER MOTION

The Office of the Prosecutor:

Mr. Allan Tieger  
Mr. Mark Harmon

The Office of the Prosecutor:

Mr. Tom Hannis

The Accused:

Radovan Karadzic

Counsel for the Accused:

Slobodan Zecevic and Slobodan Cvjetic  
Tomislav Visnjic and Igor Pantelic

1. Dr. Radovan Karadzic supports *Stoljan Zupljanin's Motion for Joinder With the Case of Radovan Karadzic*.

2. Dr. Karadzic believes that the addition of the two accused and their defence teams will facilitate his ability to defend the charges against him, allowing for a division of labor that would not be possible were he to be tried by himself.

3. Dr. Karadzic also believes that a joint trial will facilitate the appearance of common defence witnesses who he would have to call upon for a second time if the two cases were tried separately.

4. Therefore, Dr. Karadzic respectfully requests that the motion for joinder be granted.
