The Accused

Mr. Radovan Karadžić

THIS TRIAL CHAMBER of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the former Yugoslavia since 1991 (“Tribunal”);

NOTING its confidential “Decision on Protective Measures for Witnesses”, issued on 24 July 2009 (“Decision on Protective Measures”), by which it created a chart including a comprehensive list of all the protective measures which are in force for witnesses appearing on the Prosecution’s Rule 65 *ter* witness list (“Chart”);

NOTING that in the Decision on Protective Measures the Chamber explained that it uses the expression “protective measures” to indicate measures granted in terms of Rules 69, 75, and 79 of the Tribunal’s Rules of Procedure and Evidence (“Rules”), and also measures granted as conditions in terms of Rule 70 of the Rules;

NOTING also that in its Decision on Protective Measures the Chamber established that, should the parties wished to make any submissions related to the Chart, they should do so by no later than 7 August 2009;

CONSIDERING the “Prosecution’s Submission on the Chart on Protective Measures Currently in Place”, filed confidentially on 29 July 2009, and the Accused’s “Submission on Protective Measures”, filed on 3 August 2009, by which the parties propose some amendments to the Chart;

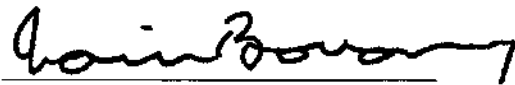

HAVING carefully reviewed the parties’ submissions against its own records and those of the Tribunal’s Registry, and having amended the Chart as it has deemed appropriate;

CONSIDERING that the Chart, as set out in Annexes A and B to this Order, contains details of the witnesses, the protective measures in force for these witnesses, and the decisions and orders relevant to these measures;

PURSUANT TO Articles 20, 21, and 22 of the Tribunal’s Statute, and Rules 54, 69, 70, 75, and 79 of the Rules;

HEREBY ORDERS that the revised Chart, as set out in Annexes A and B to this Order, and as further revised in light of any later procedure and/or decisions on protective measures, shall be the primary record of protective measures in force for all witnesses—Prosecution, Defence or Chamber—in the case.

Done in both English and French, the English text being authoritative.
