Registrar”), with the approval of the President of the International Tribunal.
2. The Registrar shall provide the following documents to the requested State when making the request:

a) a certified copy of the judgement;
b) a statement indicating how much of the sentence has already been served, including information on any pre-trial detention;
c) when appropriate, any medical or psychological reports on the convicted person, any recommendation for his or her further treatment in the requested State and any other factor relevant to the enforcement of the sentence.

3. The requested State shall submit the request to the competent national authorities, in accordance with the national law of the requested State.

4. The competent national authorities of the requested State shall promptly decide upon the request of the Registrar, in accordance with national law.

**Article 3**

2. The conditions of imprisonment shall be governed by the law of the requested State, subject to the supervision of the International Tribunal, as provided for in Articles 6 to 8 and paragraphs 2 to 4 of Article 9 below.

3. The conditions of imprisonment shall be equivalent to those applicable to prisoners serving sentences under Austrian law and shall be in accordance with relevant human rights standards.

**Article 4**

*Transfer of the convicted person*

The Registrar shall make appropriate arrangements for the transfer of the convicted person from the International Tribunal to the competent authorities of the requested State. Prior to his or her transfer, the convicted person will be informed by the Registrar of the contents of this Agreement.
Article 5

Rule of Speciality

1. A convicted person transferred to the requested State pursuant to the terms of this Agreement shall not be prosecuted or proceeded against in the requested State for any act or conduct committed prior to his or her transfer to the requested State, unless:

Article 6

Monitoring

1. The competent authorities of the requested State shall allow visits of the prisoner(s) by the International Tribunal, or an entity designated by it, in accordance with Article 27 of the Statute of the International Tribunal and, subject to the Statute, with Austrian law. The competent authorities shall allow visits at any time and on a periodic basis, the frequency of visits to be determined by the International Tribunal. Reports on the conditions of detention and the treatment of the prisoner(s), based on the findings of the visits, will be issued, as appropriate.

2. The requested State and the President of the International Tribunal shall consult each other on the findings of the reports referred to in paragraph 1. 3. The President of the International Tribunal shall determine, in consultation with the Judges of the International Tribunal, whether any early release, pardon or commutation of the sentence is appropriate. The Registrar shall inform the requested State of the President’s determination. Article 10

Impossibility to enforce sentence

If, at any time after the decision has been taken to enforce the sentence, for any legal or practical reasons, further enforcement has become impossible, the requested State shall promptly inform the Registrar. The Registrar shall make the appropriate arrangements for the transfer of the convicted person. The competent authorities of the requested State shall allow for at least sixty days following the notification of the Registrar before taking other measures on the matter.
