1. **THIS TRIAL CHAMBER** of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the former Yugoslavia since 1991 (“Tribunal”) is seised of the “Prosecution Motion to Substitute or Add Translations of Exhibits P112.111, P211.140, P1387.1351, P1865, and P1903”, filed on 22 October 2013 (“Motion”). The Defence confidentially filed its “Response to Prosecution Motion to Substitute or Add Translations of Exhibits P112.111, P211.140, P1387.1351, P1865, and P1903” (“Response”) on 5 November 2013.

2. The Tribunal is also seised of the “Defence Request to Replace Translation of Exhibit D105 with a Revised Version”, filed on 29 October 2013 (“Second Motion”). The Prosecution filed its “Response to Defence Request to Replace Translation of Exhibit D105 with a Revised Version” (“Second Response”) on 8 November 2013.

3. In the Motion, the Prosecution submits that it has become aware that the English translations of exhibits P112.111, P1865, and P1903 each contain errors.<sup>1</sup> The Prosecution has submitted each exhibit to the Conference and Language Services Section (“CLSS”) for review and now seeks to substitute the revised translations in place of those attached to the respective exhibits.<sup>2</sup> The Prosecution has further discovered that page 5 of P1387.1351 lacked an English translation and seeks to add this translation to the exhibit.<sup>3</sup> Finally, the Prosecution provides the transcripts for video exhibit P211.140.<sup>4</sup> In the Response, the Defence objects to the revised translation of P1903, arguing that it still contains an error that was in the original translation and one additional error.<sup>5</sup> On 14 November 2013, the Prosecution informed the Chamber that (a) it had uploaded a revised translation of P1903, which corrected the mistakes outlined in the Response and that (b) the Defence did not object to this second revised translation.<sup>6</sup> The Trial Chamber finds that, in the particular circumstances of these documents, it is appropriate to replace the old translations with the revised ones and to add translations, where appropriate.

4. In the Second Motion, the Defence requests that the document uploaded to eCourt under document identification number 1D05-2126 be added as the English translation of D105.<sup>7</sup> In the Second Response, the Prosecution does not oppose the request.<sup>8</sup> The Trial Chamber finds that, in
