THIS TRIAL CHAMBER of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the former Yugoslavia since 1991 (“Tribunal”) was seised of the confidential “Motion of the Defence of the Accused Sreten Lukić for Protective Measures [...],” filed on 31 March 2008 (“Motion”) and confidential “Motion for Modification of Witness Protective Measures – 6D2,” filed on 14 April 2008 (“Motion for Modification”) and issued oral rulings thereon on 14 and 15 April 2008. The Chamber now issues this written Decision, confirming those oral rulings.¹

1. In the Motion, the Lukić Defence requested that the witness be granted a pseudonym and voice and image distortion. At a hearing conducted on the 14 April 2008, the Prosecution stated that it did not oppose the Motion.² At this hearing, the Chamber granted the Motion.³ The Lukić Defence subsequently filed the Motion for the Modification, requesting that the witness be permitted to testify in closed session. In a hearing conducted on 15 April 2008, the Prosecution opposed the testimony in closed session.⁴

2. On 15 April 2008, the Chamber orally ordered that the testimony of the witness would be heard in a closed session, noting that upon the completion of the witness’s testimony a decision would be made as to whether it is necessary to maintain the confidentiality of the entire testimonial evidence of the witness.⁵ In this regard, the Chamber notes its oral ruling that the parties are required to make submissions regarding which parts (if any) of the evidence of the witness are to remain confidential by no later than 23 April 2008.

3. Accordingly, the Trial Chamber, pursuant to Rules 54, 69, 75, and 79 of the Rules of Procedure and Evidence of the Tribunal, hereby CONFIRMS its oral rulings and ORDERS as follows:

- (a) Representatives of the public shall not photograph, video-record, or sketch the witness while he/she is on the premises of the Tribunal.
- (b) The witness shall be identified by the pseudonym 6D-2 in all proceedings before the Tribunal and in discussions among the parties.
- (c) Witness 6D-2 shall give his/her testimony in closed session.

¹ The Chamber considers it appropriate to file this decision publicly, although the filings were accomplished on a confidential basis. No confidential information is contained herein.

² T. 25249 (14 April 2008).

³ T. 25249, 25251 (14 April 2008).

⁴ T. 25325 (15 April 2008).

⁵ T. 25337 (15 April 2008).

- (d) The parties shall not disclose to the public any protected material, including information and documents, pertaining to 6D-2 except to the limited extent that such disclosure is directly and specifically necessary for the preparation and presentation of the case or the knowledge of the parties. If the parties find it directly and specifically necessary to make disclosures pursuant to this limited purpose, they shall inform each person among the public to whom non-public material or information is shown or disclosed that such person is not to copy, reproduce, or publicise such material or information, and is not to show, disclose, or convey it to any other person. If provided with the original or any copy or duplicate of such material or information, such person shall return it to the party when continued possession of the material or information is no longer necessary for the preparation and presentation of the case.
- (e) The Prosecution and Defence counsel for the co-Accused, and their representatives and agents who are acting pursuant to their instructions or requests, shall notify the Lukić Defence of any requested contact with the witness referred to herein, in order to enable the Lukić Defence to make the necessary arrangements for such contact, in the event the witness agrees to contact with the Prosecution or counsel for the co-Accused.
- (f) The names, whereabouts, and other identifying information concerning the witness shall be sealed and not included in any public record of the Tribunal. To the extent that the name and other identifying information concerning the witness are contained in existing public documents of the Tribunal, that information shall be expunged from those documents.
- (g) If a member of the Prosecution or any of the Defence teams withdraws from the case, all material in his or her possession shall be returned to the person serving as lead counsel for that party at that time.
- (h) All materials pertaining to 6D-2, including those materials disclosed under subsection (d) above, shall be maintained on a confidential basis, destroyed, or returned to the Registry following the close of the above-referenced proceedings.
- (i) Except as provided for by subsection (d) above, any person who knowingly and wilfully discloses the identifying information of 6D-2, or any other information sufficient to identify this witness, shall be in violation of this Order, and may be

subject to prosecution for contempt of the Tribunal pursuant to Rule 77 of the Rules.

- (j) All provisions of this Decision shall apply equally to the Prosecution; the *Amici Curiae* (where necessary); the six Accused and their Defence counsel, co-counsel, and other members of the Defence teams; and the public.
- (k) For the purposes of this decision, the “public” means all persons, including corporations; governments and organs/departments thereof; organisations; entities; associations; groups; the Accused’s family members, friends, and associates; accused and defence counsel in other proceedings before the Tribunal; and the media. However, for the purposes of this Decision, the “public” does not mean Judges of the Tribunal; staff of the Registry and the Office of the Prosecutor; the *Amici Curiae* (where necessary); or the Accused and their Defence counsel, co-counsel, and other members of the Defence team.

4. The Trial Chamber hereby **INSTRUCTS** the Registry to take all necessary measures to implement this Order.

5. The Trial Chamber hereby **ORDERS** that (a) the Prosecution and the Lukić Defence shall make submissions regarding which parts (if any) of the evidence of the witness are to remain confidential by no later than 23 April 2008 and that (b) the Defence for each of the other Accused may do so within the same period.
