On 26 June 2012, the Chamber instructed the Registry through an informal communication to place exhibit P1672 under seal. This instruction is hereby confirmed on the record.
2. On 5 July 2012, the Chamber admitted three documents into evidence from the bar table.¹ Two of these documents (2D1716 and 2D1717) should have been admitted under seal. 4. On 20 June 2012, the Republic of Serbia ("Serbia") requested provisional protective measures *inter alia* for exhibits D376 and D293.² In line with established practice in this trial, these two exhibits should be put provisionally under seal. Furthermore, the Chamber **REMINDS** the parties generally of their continuous obligation to review the trial record in view of any pending motions by Serbia for (provisional) protective measures and request status changes where appropriate.
